GUIDE SERVICE, LLC

December 5, 2008

It has been a few weeks since our last update. During this time we have hosted many successful whitetail hunts on our Williams Ranch, Jones Ranch, Brownwood Ranch and Encino Ranch. We also conducted a couple of exotic safaris with excellent trophies being harvested. Tomorrow it's back to the woods, just like we like it! Since nights are short and the days long, I will make it quick. Our Jones Ranch hunters did very well with the highlights being Rick Cragg harvesting a 250lb. wild boar and Robert Young taking a free range axis buck. Almost every hunter harvested both a trophy buck and a cull buck along with several does. Our

Williams Ranch hunters enjoyed 100% success during their hunt with all but one harvesting nice 10 points! This was the third year in a row for "three generations" of the Ashcraft family. They said "this year by far, was the best ever!" Dave Revering of "Sportsman's Warehouse" harvested two nice bucks with the largest being a wide 10 point. Great job! Anthony Cataruno hunted our Brownwood Ranch harvesting 2 trophy bucks and one huge management buck. His largest buck sported 17 points including a large droptine. His 10 point sported an awesome 22 inch inside spread. Way to go Anthony! Our Encino Ranch hunters enjoyed some of the very best in "free range" whitetail hunting. The first afternoon Donnie Palmer dropped the hammer on a 160 class typical 12 point. He went on to harvest several doe, cull

bucks and a Rio Grande gobbler. After that, it was a road trip for an aoudad ram which Donnie will proudly display lifesize upon his lodge's rock fireplace. Wren Gibby harvested a 20 inch 8 point scoring in the mid 40's with his dad Bob harvesting 2 bucks, a 143 and 137 B&C. The whitetail bucks are in hard rut and the hunting outstanding! If you haven't got your whitetail yet, please give us a call. With our MLD permits we will be whitetail hunting through mid February. For all those predator hunters out there, January, February and March are the very best months for bobcat & coyote. Hope to see you soon!

## Testimonials

"I wanted to let you know what a great trip we had! 3 out of the 4 of us shot our biggest bucks ever. How much better can it get?! It was great to see you and Melony again, and spend time and revisit past hunting trips we have had together over the many years. It's good to have someone like you and Melony that I can trust to bring my most valuable customers, family, and closest friends to hunt with. The hospitality of your staff, knowledge of your staff, and hard work from your staff is beyond anything I have experienced on other hunts from anywhere. I just wanted to thank you once again for living up to and going beyond my expectations."

"Thanks again for another terrific hunt at the Brownwood Ranch. This was our fifth hunting adventure with "Magnum" in four years, not to mention our awesome dangerous game and plains game safari through your "JM Adventures.net" to South Africa. Each trip was great and we were able to come out, relax, and truly enjoy our stay, not worrying about any of the details. The friendly and familiar companionship is cherished. As always the food was terrific and the hunting exciting and educational. To be able to see the quality and amount of game that we have over the last several years is amazing by anyone's standard. I know we just got home from Brownwood hunt but I'm really looking forward to coming back in January for the Doe/Cull Buck hunt."
