## "Thank You"

From everyone here at "Team Magnum," we extend a "Texas size" "Thank You" to each and everyone who hunted with us this winter. Your new, or in most cases continued support, help to renew our confidence in a troubled economy. You showed us with whom you choose to spend your precious time and hard earned money and for that we are "all" most grateful! The fun, pointed humor, laughter and warm camaraderie shared at each of our hunting camps was priceless. As we move towards spring, we are encouraged by the "new" opportunities that will certainly be available to sportsmen and guides this year. As the stock market and real estate market re-check themselves, so will the hunting industry. With it there will be attrition within the ranks of outfitters and potential growth for others? No doubt, it's a buyers market worldwide. Our goal is simple, keep hunters hunting, and guides guiding. If you want to make a hunt, give us a call. We will work with you anyway possible to keep you hunting! Tell us what you're looking for or what we need to do to earn your business. We will all work through these difficult times together. I hope to be spending much time in the woods, on my knees, thanking God for the opportunity to enjoy his wonderful creation, and taking photos of my smiling hunters with their trophies!

Matthew 6:25-27 (New International Version)

Do Not Worry

<sup>25</sup>"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? <sup>26</sup>Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? <sup>27</sup>Who of you by worrying can add a single hour to his life?"
